

eSTART

eStart is a partnership between the Virtual Learning Academy Charter School (VLACS) and the Community College System of New Hampshire (CCSNH).

Credits earned through eStart are dual credits - high school and college. The online courses are taught by CCSNH faculty. eStart courses are available to New Hampshire residents who are enrolled in a public school, private school, alternative school or home school program. Eligible students must be at least 15 years old or have obtained special permission from the eStart course instructor.

The Community College System of New Hampshire eStart tuition is \$150. Students must also purchase textbooks which may cost between \$75 and \$100.

The college credits may be used for degree programs at CCSNH or transferred to other postsecondary institutions.

Students and parents: Contact your school's guidance department to be sure the eStart course meets requirements for high school credit and graduation.
